### **DETAILED ACTION**

1. Claims 1-11, and 16-17 are allowed over the prior art of the record.

#### ***Reason for Allowance***

2. The following is an Examiner's Statement of Reasons for Allowance: The primary reason for allowance of the claims is that prior art neither teach nor fairly suggest the particular of the nano-indentation system as appears in the independent claims 1, and 10. Major emphasis is being placed upon the provision of specific "membrane" which includes a "probe holding structure" in a nano-dimension environment, in combination with other limitations of the said independent claims and their dependent ones.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Max H. Noori whose telephone number is (571) 272-2185. The examiner can normally be reached on Tuesday-Friday from 8:00 AM to 6:00 P.M.
